Public Computer Access

Free Community Computer Training

Youth Connecting Communities (YCC) consisting of teams of middle school and high school students provide basic computer training for community members who face technology obstacles such as time, money, or location. To register, call the Chippewa Falls School District's Technology Help Desk, at 715-726-2413. Registration is handled on a first-come first-serve basis.

Public computer access can be found at most of the public libraries in the area. Call ahead to schedule a time or inquire about fees.
